

PORTRAIT

Paula Cherpillod

Head of Compliance

My role involves ensuring the implementation of Swiss and international financial regulations, as well as developing internal policies.

I oversee process compliance and communicate with regulatory authorities in efforts to combat fraud and money laundering.

A QUICK BACKGROUND

Ambition is not only a mindset; it is what allows you to see opportunities where others see challenges.

I WORKED AT

- Piguet Galland Bank
- Cramer & Cie - Private Banking
- BCV - Key Clients Management

MY PASSIONS

Reading allows me to travel through time, cultures, and emotions. It gives me a space for daily escape.

WHAT I'M PROUD OF

Balancing my family and professional life while pursuing advanced continuing education to take on more responsibilities is a great source of pride for me.

I'm also very proud to have participated in the launch of Wealth Management with the team and to have accomplished all these milestones together.

FUN FACTS

1

BEWARE OF STAINS

Be careful to those who eat next to me, I'm a bit clumsy...

So, I always carry stain remover with me.

2

THE SIDEWALK TRAP

I often read while walking, so absorbed in my books that I don't even notice the sidewalks on my path. I stumble, straighten up, and then continue on my way as if nothing happened.

3

EMOTIONAL SPONGE

I am a true sponge for emotions. I absorb every smile, burst of laughter, or sign of sadness from those around me, like an ocean of emotions.
