## Roland Kesselring

Relationship Manager

I work with institutional clients in German speaking Switzerland, a role that I find deeply fulfilling.

It allows me to share my in-depth knowledge of convertible bonds, acquired over more than 20 years, while making a significant contribution to the goals of the institutions I collaborate with.

# A QUICK BACKGROUND

I find it extremely rewarding to build authentic and long-term relationships with my clients.

## I LOVE COOKING

From oven-roasted poultry to braised meats and pot-au-feu, I love cooking «grandma's style» dishes. A passion passed down from my mother that I still enjoy to this day.

## WINE CIRCLE

25 years ago, I founded a wine club and became its president. While Swiss wines and Bordeaux are our favorite and most popular topics, we've also explored exotic wines from Eastern Europe and Greece. Cheers!
