Marc Churin

Pension Manager

I transitioned into the complex and fascinating world of pensions after a twenty-year career in Human Resources.

I strive to think outside the box in order to propose innovative solutions for our clients and partners.

A QUICK BACKGROUND

Working in a united team with diverse backgrounds is a great source of motivation.

I WORKED AT

- Liberty Pension Ltd
- Von Rohr & Associates
- Capital International (Finance)
- Thales Suisse SA - Services (IT provider)
- Adecco

MY PASSIONS

Football is my passion, along with team sports in general.

Outdoor activities and travelling play an important role in my well-being.

WHAT I'M PROUD OF

My family is naturally and obviously the most important achievement in my life.

Besides this, I had the chance and opportunity to join a football school for four years, and to live and work in the USA, Germany, France and now Switzerland. I've met people from all over the world and this may be my greatest satisfaction.

FUN FACTS

COMPETITIVE AT HEART

1

It's no secret: I'm a competitor and hate losing, whatever I play or do. I can't switch off that mindset, which can sometimes lead to passionate moments.

2

IMPULSIVITY

Think first, speak later...
Just the opposite of what I do!

3

SERIOUS, BUT NOT TOO MUCH

« *Don't take life too seriously; you'll never get out of it alive* ». I guess that quote sums up my approach to life.
